**What are your key  
takeaways from your time  
here?**

Information, ideas, approaches, a-ha's

---

**What are you still chewing  
on or wrestling with?**

Unanswered questions, obstacles, big ideas

---

**What do you see as potential next steps for your cohort to move this work forward?**

---

**What next steps would  
accelerate the transformation of  
our procurement practices at  
the local and national level?**

How might a networked group of regional  
cohorts support and advance that work?
